MAN KAT A1 6x6 LHD Chassis Cab Trucks - MoD Ref: 50338

MAN KAT A1 6x6 LHD Chassis Cab Trucks

We have just received 4 of these trucks into stock all of which are in excellent condition with 20,000-40,000 kilometres only

These vehicles would be ideal for fitting of a flat bed platform for general cargo, twist locks for carrying of 20ft containers, or overland expedition vehicle.

We can also offer to supply these vehicles fitted with a fifth wheel or fuel/water tank carrier as shown in the example photos below

Auxiliary PTO and hydraulics

13 ton payload

Coil spring suspension

These MAN's are not to be confused with the much older 1970's MAN 464 model 6x chassis. These 1990's trucks are far superior by way of design and manufacture
