Mercedes Unimog U1300L Crew Cab 4x4 Fire Engine - MoD Ref: 50540

Details

This is a Mercedes Unimog U1300L Fire Engine but with a difference as there is no on board water tank.

The vehicle has a bumper mounted pump for relaying water or fighting a fire from either a hydrant, open water or other appliance provided water supply.

The rear body has brackets and a pull out rear tray for equipment to be carried.

This vehicle has only done 31,486kms (indicated) which is reflected in the condition of the vehicle.

This is an ideal candidate for somebody wanting to convert the vehicle
